

## **Anchor Press, Paper & Print Gallery Exhibition Information**

### **Details**

Anchor Press, Paper & Print (AP3) is seeking submissions for exhibition proposals. Our mission is to promote the creation and appreciation of printmaking and works utilizing printmaking processes, and these mediums will be the focus of our gallery.

AP3's Gallery Nina is a single wall measuring 46x9'. This is located inside our active print shop. We do not have pedestals, nor do we have much room to bring any in. If you are interested in showing book arts, sculpture, or installation work please email us before applying to see if we can work something out to accommodate you.

Work chosen for a show must have been created by the artist within the past 2 years. All artwork must be original works of art.

Interested buyers will be directed to the artist. We ask for a 20% commission for work sold out of our gallery for the duration of the exhibition.

AP3 will work with the artist to schedule an opening reception for each show.

### **Application Process**

- Prepare five images of your artwork in jpg format at 72 dpi resolution, each saved as follows: LastName\_FirstName\_Title.jpg (example: Durer\_Albrecht\_Rhinoceros.jpg).
- Download and fill out an application.
- Email your application as well as five images of your work to:  
julia@anchorpresspaperandprint.org
- Pay \$30 jury fee online (fee waived for current AP3 Yearly Supporters).

**Disclaimer**

We do everything in our power to protect your artwork while it's in our care. Our gallery wall is inside of an active print shop, and the building is very old and dusty. So although there is a very slim chance anything would happen to your artwork here, we want people to be aware of the space conditions. If there were to be an unforeseen accident, Anchor Press, Paper & Print will reimburse the artist up to \$250 for each art piece to cover the cost of supplies.
