

**Anchor Press, Paper & Print  
Shop the Shop Wall**

**Details**

Anchor Press, Paper & Print (AP3) is seeking prints for sale to hang on our limited wall space on a quarterly cycle. To participate you **must be a yearly supporter**, which includes a \$30 donation. Become a supporter on our [website](#). AP3 will be taking a **20% commission** on all sales inside of our space so please price your work accordingly.

Each artist may **submit up to five prints every cycle**. Due to the limited wall space, work that is smaller than 18x24" will likely be selected first depending on how many submissions we get. Always feel free to submit again the next cycle if you are not selected.

Prints submitted must include the use of one of the following printmaking processes or their many variations: lithography, intaglio, relief, risograph, or screenprint. Work should be wall-ready, signed on either the front or back, and free of fingerprints or smudges.

Work submitted is not guaranteed to be accepted. To submit, please email us a .jpg image of the print as well as a separate Word or PDF document with the following information for each print:

- Title
- Medium
- Size
- Year completed
- Price (including 20% commission)

Image files should be labeled with artist name and image title. For example:
